

Preparing your house and yard for Aerial Photos

- 1) Clean up any items that are distractions in the yard (toys, tools, etc.)
 - a. Summer
 - i. Mow and trim lawn
 - ii. Trim bushes and hedges
 - b. Winter
 - i. Clear driveway of snow if needed
- 2) Move vehicles out of driveway (into garage or on street away from house)
- 3) Avoid appointments on garbage day
 - a. If not possible, make sure garbage can be easily moved
- 4) Close garage door
- 5) Close all window blinds
